

2022 Billing and Coding Guidelines

Operative Hysteroscopy TruClear™ System

The TruClear™ system offers a complete technology platform for the removal of a range of intrauterine abnormalities. Coding included in this guide are examples of procedures which may be completed with this system.

Rates listed are based on their respective site of care- physician office, ambulatory surgical center, or hospital outpatient department. All rates provided are for the Medicare unadjusted national average rounded to the nearest whole number for 2021 and do not represent adjustment specific to the provider's location or facility. Commercial rates are based on individual contracts. Providers are encouraged to review contracts to verify their specific contracted allowables. No additional HCPCS¹ level II coding is recommended to report use of the device. Payment is included in the associated procedure.
