Warranty and service plan options.	Benefit	Advanced Service Exchange	Platinum Extended Warranty
Platinum Extended Warranty Unlimited product replacements for the term of the agreement. If no refurbished items are available a new device will be shipped at no extra cost. Advanced Service Exchange Refurbished Capital have a 90 day automatic warranty once invoiced.	Set price for each Advanced Service Exchange†	■	
	Flexible billing terms for your installed base or / and new capital purchase.		■
	All refurbished capital is approved by FDA regulated Original Equipment Manufacturers and has a 90 day warranty.	■	■
	Product replacements within 72 hours	■	■
	TruClear™ system warranty options are up to an additional three years after the manufacturers warranty expires.		■
	TruClear™ Elite scopes are replaced as new systems if on a Platinum Extended Warranty. If the scope or insert is damaged due to neglect or abuse the warranty for the insert or scope is void.		■

There may be additional costs independent of warranty status if:

- The product has been damaged due to incorrect use, neglect or abuse.
- The product returned for repair is found to have been serviced by an unauthorized, third-party repair shop
- The product has been sterilized with a sterilization method other than one specified in the product's instructions for use (IFU)

If you would like to discuss a Platinum Extended Warranty for your TruClear™ system please contact your local sales representative.

If you'd like to receive a service quote or you have a service-related question, please call 1-800-962-9888, option 1, then option 3 for the TruClear™ system.
